

Dear City of Surprise HOA Manager,

The City of Surprise is making changes to the Bulk Trash Pickup program, and we want to make sure that you and your residents are aware of those changes.

Bulk trash will continue to be picked up by-appointment and at no additional cost to residents who are serviced by the city of Surprise Solid Waste Department; however, the rules for placement of the trash are changing.

Effective July 1, 2017, customers should place their trash in the street, up against the curb (gutter) in front of their property. Where there is no curb, material must be placed at the edge of the street, not the sidewalk. Do not place your pile within ten feet (10') of any fixed object or in any manner which would interfere with pedestrians, bicyclists, motorists, or fire hydrants.

Bulk trash can no longer be placed on private property, unless the home is located on a major roadway – streets like Bell Road and Litchfield Road or streets that feed into neighborhoods, also known as collector streets. If trash must be placed on private property, due to location, the city will provide a liability release form that needs to be signed.

Additional information about Bulk Trash Pickup can be found on the city's website at [www.surpriseaz.gov/bulktrash](http://www.surpriseaz.gov/bulktrash). This includes details on how to schedule a pickup appointment, which items are acceptable, what the pickup limit is, and when to place your trash at the curb.

If you have questions regarding the changes to the program, please feel free to give me a call at 623.222.6224.

Sincerely,

Craig Ceccarelli, S.C.  
City of Surprise  
Solid Waste Supervisor
